

Rochester Engineering Society

Dear Potential Donor:

We are seeking your support as a Silent Auction item donor for the Rochester Engineering Society's **116th Annual Gala** to benefit **Scholarships for Future Engineers!** It will be held on **Saturday, April 14, 2018** at the Joseph A. Floreano Rochester Riverside Convention Center.

The event is designed to celebrate the accomplishments of engineers, scientists and technologists of all disciplines and the critical importance of engineering to the Greater Rochester community!

The RES Gala's Silent Auction presents an ideal opportunity to showcase your company/talent/service amongst over 300 professional engineers and their companies.

The Society of Women Engineers (SWE) Rochester Section is organizing the auction and they are collecting a variety of donation items - see attached suggestion list. The list is meant to assist you with ideas, but is no means limited to the items described on there!

The RES Gala Silent Auction proceeds will directly benefit local youth to expand the scholarship awards to more students. Your donation will contribute to and impact the more than **\$35,000 in scholarships** that we award annually!

To donate, please complete the attached RES Silent Auction Donation Form. Don't forget to include any marketing collateral, brochures, and any relevant details about the item/service you donate. Keep in mind that RES is a 501 (c) 3 organization; your donation is tax deductible to the extent allowed by law.

We are happy to arrange for someone to pick up the donation from your establishment, or you may ship it to the address on the donation form (attached). To set up a pick-up by March 23, 2018 - please contact Mackenzie Zimmerman at RES.silentauction@gmail.com or by phone at 585-880-4851.

We thank you in advance for your support! We truly appreciate your commitment to our cause and together we can provide scholarships to our future engineering leaders!

Sincerely,

Mackenzie W. Zimmerman
