

Celebrate the future engineers of Rochester!

Sponsor the Gala Event today!

## 2018 RES Gala Event Sponsorship Prospectus

Saturday, April 14, 2018

Joseph A. Floreano Rochester Riverside Convention Center.

The **2018 RES Gala Event** celebrates the accomplishments of engineers, scientists and technologists of all disciplines and highlights the critical importance of engineering to the greater Rochester community. **It draws more than 300 individuals including aspiring young engineers, and highly accomplished professional and academic engineers.**

If you have been to the Gala Event in the past, you realize how important it is to the youngest most promising engineers of our community. Your sponsorship and presence at the event is not only memorable for these young individuals and their families, but it also serves to ensure similar opportunities will be celebrated in the years to come. This is our only major fundraising effort that supports this **century** long tradition of celebrating engineering in Rochester!

The Gala Event is an exciting evening of networking, dining, entertainment and celebration with over 300 colleagues in a relaxed, fun atmosphere. We will recognize the finalists and announce the recipient of the **55<sup>th</sup> Engineer of the Year Award**, the **11<sup>th</sup> Kate Gleason Young Engineer of the Year Award** and **2017 Rochester Engineers of Distinction**. In addition, **over \$25,000 in scholarships** will be awarded to local high school and college students in support of their engineering education. **Help us today in sponsoring this event. Your support really matters!**

We are proud to offer several sponsorship opportunities for the Gala Event. We also highly encourage companies to exhibit a product or project prototype to help showcase how important engineering is to our community.

## Commit by January 21<sup>st</sup> and save 10% on sponsorships!

Remembering the 2017 RES Gala Event!

**Thank you for supporting the RES Gala Event. We look forward to seeing you in April!**

The RES reserves the right to cancel an event due to low enrollment or other circumstances which would make the event unviable. If the RES cancels an event, sponsors will be offered a refund for that event; series sponsorships are non-refundable. Event sponsors will be recognized upon receipt of sponsorship payment.
